Strategic Direction

Describe the company's strategy | *Text Field 0 to 3,500 characters*

Please describe your company's strategy, goals, and / or initiatives that prepare and support women within the energy industry for leadership roles in operations and engineering. Include specific efforts, tasks, tools, and resources that support these goals.

Tell us about ERG efforts | *Text Field 0 to 3,500 characters*

If your company has a formal women's Employee Resource Group (ERG), please describe the size of the group, the leadership structure, and their efforts and achievements to date.

Development Opportunities

Hiring Diversity | *Text Field 0 to 3,500 characters*

Please describe your company's efforts to solicit and hire a diverse pool of candidates, highlighting any efforts that are specific to women in operations and engineering.

Retaining & Promoting Women | *Text Field 0 to 3,500 characters*

Please describe any activities or efforts used by your company to promote and retain women in operations, engineering, or other non-traditional roles in the energy industry.

Proof of Success | *Text Field 0 to 3,500 characters*

Please describe your company's success in increasing women in operations and engineering over the past year. You may choose to include percentage increases, specific role information, etc. An optional worksheet is available above to download to assist with compiling information. If uploading a file, say so here.

Additional Information

Please include information on past recognition your company has received for your achievements in these areas. Include a brief description / summary below and upload a minimum of two supporting documents.

Tell us the number of women on the Board of Directors at your company, if any.

Impact of Energetic Women | *Text Field 0 to 3,500 characters*

How has Energetic Women impacted the engagement (or development) of women in your organization?
